**JOIN US FOR '5 DAYS OF RECONCILIATION WEBINARS'**

<https://www.facebook.com/reconciliationqld/live/>

In 2016, Reconciliation Australia released the  
**'State of Reconciliation in Australia' Report**

The report drew on national & international research  
and community discussion to identify **5 integral and  
interrelated DIMENSIONS OF RECONCILIATION**

**EACH DAY at 12.30 PM in a 'LIVE WEBINAR'** we will explore one of  
these 5 Dimensions with special invited guests: to excavate how  
in Queensland we are working toward reconciliation,  
and what more needs to be done.
